Automation Fair 2017
November 15-16, 2017
George R. Brown Convention Center
Houston, Texas, USA

Attend **Automation Fair®** – a great opportunity to explore smart, safe, sustainable manufacturing solutions geared toward improving your business profitability.

- **DISCOVER** how to improve productivity and efficiency throughout the life cycle of your automation investments.
- **LEARN** how flexible, scalable automation solutions can lower costs and improve overall performance.
- **EXPERIENCE** how sustainable production practices can increase your competitiveness and help you better manage energy and materials costs.

Attend industry forums, user group meetings, hands-on labs, technical sessions and demonstrations to expand knowledge and use of the latest control, power and information technologies.

Take advantage of automation expertise from Rockwell Automation and their [PartnerNetwork™](#), providing comprehensive solutions from industry leaders in distribution, systems integration, machine building, and complementary technologies

Registration will open August 2016
